## ***The Master of Arts in French***

This program is designed for students who already master the French language and wish to take their experience and knowledge one step further.

Introductory and advanced courses will cover the linguistic and cultural aspects. Students will gain in-depth knowledge about the French environment, improve their writing and oral skills and learn to evolve confidently and efficiently in a professional French environment.

## ***Duration***

1 Academic Year

## ***Language of instruction***

French

## ***Credits***

The full degree has 90ECTS

## ***Studying Options***

## ***Career Prospects***

Graduates will be able to apply for positions in the publishing industry, in education, tourism, foreign languages (translator, interpreter) and key communication positions in international organizations.

## ***Admission Requirements***

- Bachelor's degree or equivalent.
- The candidate must have proficiency in French language. When the candidate

is not a native French speaker, has not completed a degree in French, or has not worked in French, the prospective student must have a pass score in a French language test.

## ***Methodology***

The program follows two roads: one focused on introductory courses in language (grammar, translation) and generic courses in French civilization; and another more specific road focusing on the particular aspects of French culture and society.

Students must write a thesis, which is a 30- to 40-page paper on a topic selected by the student and subject to approval. Students are encouraged to make a proposal during their first term. The thesis is a creative or research-based document entirely written in French.

## ***Flexible, self-paced, 100% online***

You can start your degree and courses any day of the year - when you are ready. Due to our self-paced approach, you can complete courses at your own pace. This means that you can both accelerate your degree, or take a lighter workload. The degree is completed fully online, so you will never have to travel to our campus to complete your courses.
