# Master in Cross-Cultural Communication

## *The Master in Cross-Cultural Communication*

The MA in Cross-Cultural Communication will help students learn about the essential aspects of contacts between cultures while developing strong intercultural communication competences with critical and independent analysis.

### **Duration**

12 months

### **Credit Value**

90 ECTS

### **Language**

English

### ***Flexible, self-paced, 100% online***

You can start your degree and courses any day of the year - when you are ready. Due to our self-paced approach, you can complete courses at your own pace. This means that you can both accelerate your degree, or take a lighter workload. The degree is completed fully online, so you will never have to travel to our campus to complete your courses.

### **Admission Requirements**

- Bachelor's degree or equivalent,
- The candidate must have proficiency in English language. When the candidate is a not a native English speaker, has not completed a degree in English, or has not worked in English, the prospective student must have a TOEFL score of 500PBT/61IBT (or equivalent score in an equivalent English test).

### **Career Prospects**

The Master in Cross-Cultural Communication at Horizons University prepares students for an international career, rooted in international affairs and culture by enhancing cross-cultural communication and interpersonal skills.

These assets enable students to secure positions in international companies, consulting practices and international education as well as positions where intercultural mediation and understanding of multiple cultures and communication schemes are a top requirement.

---

### **What our students say about their degree**

*«I was looking for a program leading to an international career. I am an open-minded person with a multi-cultural background and I want to improve my communication skills.»*

*«I chose this degree to further my career in intercultural training.»*

*«I very much enjoyed the material covered and felt I learned many new skills.»*

---

## Methodology

The courses will focus on the impact of cultural differences in today's economic and social spheres and on the necessity to develop communication skills to bridge those differences.
